in the course of a year julie brominicks walked around the edge of wales having left her job in environmental education at the centre for alternative technology in machynlleth as an english incomer and a welsh learner with a long association with the country she was interested in what wales meant and how she did or didn t fit in to it the result is a fascinating alternative travelogue which merges topography history environmentalism and observation of nature to produce the long view of wales discovering the roots of the present in the past sometimes the distant past brominicks observations of the places and people she discovers around wales are lively and well written although this is her journey in many senses of that word the narrative is at least as interested in who she meets and what she sees especially of ordinary life she brings the everyday to life in thought provoking ways her book a new way of looking at the place where we live and the people with whom we live our lives knowingly and unknowingly her writing is lyrical studded with engaging and striking coinages and images which take the reader along the journey with her both entertained and informed the edge of cymru is a refreshingly new way of looking at place identity memory and belonging especially through an environmental lens it rewards the reader whether they are interested in wales specifically or the world generally bursts with beautiful descriptive prose which picks up the minutia of each moment brominicks skilfully examines broad social environmental political economic and even geological changes without the book feeling dry as accessible as a novel and would make a great holiday read as much as a bedside book countryfile magazine

this is a complete history of plaid cymru the welsh nationalist party the book traces the origins of the party in the 1920s and describes its growth through the 20th century to its current position as the second most popular party in welsh politics it also examines the principles and individuals that have shaped plaid cymru through its first 70 years

today 75 years after the party s formation and following many years struggling to develop from an intellectual pressure group plaid cymru is now the official opposition in the national assembly for wales runs three local authorities and has two euro mps the eminent historian john davies traces the origins of plaid cymru in the 1920s and describes its growth through the twentieth century to its current position as wales second party plaid cymru the history of the national party of wales will be the ideal introduction to the party s policies and personalities both for activists and the general reader

the routledge handbook of british politics and society conducts a rigorous innovative and distinctive analysis of the relationship between british politics and society emphasizing that the uk is now far from a monolithic and unshifting entity examining the subject matter with unrivalled breadth and depth it highlights and interrogates key contemporary debates on the future of the uk the

nature of britishness and the merits of multiculturalism as well as contemporary criticisms of traditional institutions and the nature of representative democracy itself including contributions from key authors in their respective fields who bring their authority to bear on the task of outlining the current state of the art in british studies the book provides a fresh examination of the contrasts and the continuities across the whole field of british politics and society while setting out agendas for future research the routledge handbook of british politics and society will be essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research on british politics society and culture

this is the first volume to examine how the history of wales was written in a period that saw the emergence of professional historiography largely focused on the nation across europe and in the united states it thus sets wales in the context of recent work on national history writing in the nineteenth and twentieth centuries and more particularly offers a welsh perspective on the ways in which history was written in small mainly stateless nations the comparative dimension is fundamental to the volume's aim highlighting what was distinctive about welsh historical writing and showing how the welsh experience mirrors and illuminates broader historiographical developments the book begins with an introduction that uses the concept of historical culture as a way of exploring the different strands of historiography covered in the collection providing orientation to the chapters that follow these are divided into four sections contexts and backgrounds amateurs and popularizers creating academic disciplines and comparative perspectives all these themes are then drawn together in the conclusion to examine how far welsh historians exemplify widespread trends in the writing of national history and thereby point up common themes that emerge from the volume and clarify its broader significance for students of historiography

reprint of the original first published in 1883
